

CLIP ART RESOURCES:

Website	Free	Paid	Notes
SXC.hu	✓	✓	Mostly free, requires registration, massive database, easy searching
iClipArt.com	✗	✓	Paid subscription required, but unlimited downloads while enrolled
GettyImages.com	✗	✓	Used by major media, per-image charges (varies by photo)
Shutterstock.com	✗	✓	Industry Standard, high quality, monthly subscriptions of unlimited use or pay per download
iStockPhoto.com	✗	✓	Industry Standard, high quality, "Credit"-based pricing
Fotolia.com	✗	✓	Per image charges using "credits" like iStockPhoto.com
ImageAfter.com	✓	✗	Great source of textures for backgrounds or custom design work
OpenClipArt.org	✓	✗	Always free, even has "requests" section
RealEstateWebsite.in	✓	✗	Moderate resource, but all free
FotoSearch.com	✓	✗	Smaller but "artistic" styled, all free

BUTTON AND MENU RESOURCES:

Website	Free	Paid	Notes
ButtonGenerator.com	✓	✓	Create custom buttons or menus, but uses Flash (so buttons won't show on iPhones or some other "mobile" platforms)
CoolText.com	✓	✗	All free, can create not just buttons but cool "headlines" or banners
GRSites.com	✓	✓	Similar to CoolText.com, some services require paid subscription
TheFreeWebStuff.com	✓	✗	Creates buttons, optional "hover" effects (using the hover effect would require some custom HTML coding – you're on your own there)
MyCoolButton.com	✗	✓	Fantastic, modern looking button generators, but paid subscribers only
