

To transfer your domain:

1. Create an account with the registrar of your choice. [Click here](#) to view a full list of ICANN-accredited registrars.
2. Fill out the form below with information for the XSite account holder, then print the page and sign it.
3. Scan the completed form and government-issued photo ID back to your computer.
4. Once they're saved on your PC, send an email to ALMDomains@CoreLogic.com with both documents attached.

Within two business days, you'll receive an email from donotreply@name-services.com with an **Auth Code / EPP Key** which you must provide to your registrar.
